

SIR BENJAMIN RANK SCHOLARSHIP

SIR BENJAMIN RANK

One of the pioneers of plastic and reconstructive surgery in Australia, Sir Benjamin Rank was instrumental in the establishment of Interplast 30 years ago. Having served as a Board Director and President from 1985 to 2000, his influence on Interplast's identity is undeniable. In honour of his contribution to the organisation, an Interplast scholarship in Sir Benjamin Rank's name, has been established.

The scholarship will support a selected surgeon from the Asia Pacific region to visit Australia for a short-term observational placement to develop and strengthen their area of expertise and, by extension, strengthen the surgical services in their home country.

Nominations will be called for through Interplast surgical volunteers to identify, nominate and commit to supporting one or more surgeons in placements through their practice networks. The scholarship recipient(s) will be selected through a nomination process through the Interplast surgical committee.

Sir Benjamin Rank's scholarship will serve as a celebration of his remarkable involvement and will perpetuate his already esteemed Interplast contributions.

YES, I'D LIKE TO CONTRIBUTE TOWARDS SUPPORTING SURGEONS THROUGH THE SIR BENJAMIN RANK SCHOLARSHIP.

Please accept my gift of: \$50 \$150 \$300 My choice: \$_____

I wish to donate by: My cheque/money order is enclosed (payable to Interplast Australia & New Zealand)
