

MINIMUM SIZE

Minimum sizes for Interplast's logo have been determined to maintain legibility.

While these suggested minimum sizes are for best case scenario, in practice, the sizing may vary depending on the communication.

print

30mm (h) is minimum sizing in print for the vertical version of our logo.

20mm (h) is minimum sizing for the horizontal version.

digital

180 pixels is minimum sizing on screen for the vertical version of our logo.

140 pixels is minimum sizing for the horizontal version.
