

CHILD PROTECTION POLICY

Permission for Interplast to Undertake Referee Checks

As per Interplast’s Child Protection Policy requirements, all Interplast personnel, including volunteers, must undergo referee checks prior to participating on Interplast program activities. These referee checks include specific questions related to child protection and are in addition to the criminal record history check which is undertaken at least every two years.

Name of Prospective Interplast Personnel: _____

REFEREE 1

Name: _____

Phone Number (mobile preferred please): _____
